Message from the V P

We have now filled our club board members positions and are ready to help support our club needs. We ask all our club members to join in on our club's activities and contact us with some of your ideas or concerns. As I have always said this is your club to enjoy our interests in riding our motorcycles. Please feel free to respond to our forum and all our e-mails pertaining to new rides or rides that you have enjoyed. Gary has come up with some new and exciting routes for our upcoming rides and Lori has spent lots of her time seeking places to stay and local attractions for our rides. Bill is presently updating our roster so if you are not receiving our e-mails let him know.

We have one of the best memberships and I enjoy riding with you all.

These ride statistics are cumulative from the beginning of the year.

Completed rides: 12

Total riders: 36

Total rider miles: 22,270
