## **Special Announcements**

**2011 was a really great year for the club. We completed 21 scheduled rides as well as a number of Wednesday night rides and a few other "off-the-record" rides. Two very memorable rides were the overnight rides to The Lodge at Copperhead and to Chattanooga.**

**During those 21 rides we had a total of 55 different riders, that's 35 members and 20 guests. Total bike miles for the club was 37,850. That's a lot of biker miles without any major mishaps. Which leads me to my next point.**

**We've had an outstanding group of riders this year. All have been good, conscientious riders with safety in mind, who get along great and look out for each other. Whether we had 4 bikes on the ride or 14, it didn't really matter because we all still had a good time and made it home safely.**

**I'd like to congratulate one of our newer members for earning the "High Mileage Award" for non-officers this year. Dave Knowles logged 3,205 miles with the club. Dave also rides with other**

**groups so I know his total time in the saddle is considerably more, but I'm very pleased that Dave was able to join us and show his enthusiasm for riding.**

**I want to say a special thanks to the club officers who helped keep things going this year.**

**Vice President - Ron (Scooby); Secretary - Lori; Treasurer - Sheri; Web Master – Joe; Sunshine Person - Bill. The work done by these officers quietly in the background makes it possible for the rest of us to enjoy the club and the rides.**

**Before we close the books on 2011 I want to thank all the members for helping to make this an outstanding and memorable year. We've had some great rides, made new friends, and had a lot of fun together. I'm really looking forward to another great year in 2012.**

***Happy New Year!!***
