## **Special Announcements**

### **Message from our Vice-President**

**Happy Holidays!!**

**The Christmas season is here and we are all preparing for a Happy holiday season. We should take time and prepare our bikes for the New year's rides. Time to precheck tire pressure, lights and engine fluids. Check you're riding clothing and rain gear. Our board will be meeting the first week of January to schedule our 2013 ride schedule. Please e-mail Gary rides you may want to include on our list and any past rides you want to do again. We wish you all a Happy and warm Christmas season.**

**Scooby**

### **Message from our President!!**

**Hello fellow club members. I want to conclude this year's newsletter with some random thoughts about the year and the state-of-the-club.**

**All things considered I believe 2012 was another great year for the club. We had 22 scheduled rides that totaled just under 5,000 miles. Our annual high-mileage award went to Kyle who rode 4,042 miles with the club this year. We added 6 new**

**members (and families) to our ranks and I consider all these to be new friends. You know what they say, "you can never have too many friends." We ended the year with our first-ever Toys-for-Tots drive and a great Christmas party... both huge successes.**

**I want to thank all our members for their participation and helping to make this another great year. I also want to say a special thanks to our club officers for helping to keep the club running smoothly... Scooby (Ron), our vice president, helps keep me straight and always has my back... Sheri, our treasurer, keeps a close eye on the money... Lori, our secretary, does a great job keeping the club records in order, planning our overnight trips and parties, and publishing our newsletter... Joe, our web master, keeps the web site running and has made some changes and needed improvements... Bill, our sunshine person, initiated and maintains our club roster, and meets & greets everyone at our meetings (with a smile). I'm looking forward to 2013 being another great year for the club, strengthening old friendships and making new ones.**

**As always, Ride Safe**
